Re: Nancy Booco's Retirement

After a truly outstanding career of over 30 years with Chicago Title Insurance Company, Nancy Hallman Booco will be retiring from her position as South Carolina State Manager effective December 31, 2007. Nancy began her career as South Carolina Underwriting Counsel with Chicago Title in May 1977 and was promoted to State Manager in 1981. During her career, Chicago Title experienced tremendous growth and remains today the dominant title insurance company in South Carolina. At year end 2006 Chicago Title's market share was 33%, more than double that of its nearest competitor. Nancy is truly going out on top.

We are pleased to announce that after many years as Chicago Title's Underwriting Counsel, Claire Manning is being promoted to Vice President and South Carolina State Manager effective January 1, 2008. We have great confidence in Claire's ability to continue Chicago Title's legacy in that market. We are also fortunate that Nancy will continue working with Claire in a part time consulting role in 2008.

Many of you have had the pleasure of working with Nancy over the years. Please join me in wishing her the best in retirement and in congratulating Claire in her new role.
